<p>I certify under penalty of perjury, under the laws of the State of Washington, the following is true and correct. I am a sworn Kent police officer and, based upon my review of the electronic images made by the automated traffic safety camera, I have probable cause to believe, and do believe, that on the date, time, and at the location listed above, the vehicle described above was in violation of KCC 9.36.140 (D). I have been trained and know that this school speed zone is fully posted with school speed limit signs indicating a 20 MPH speed limit when warning lights are flashing and signs indicating that the speed limit is enforced with automated traffic safety cameras. I have been trained and know the technology is such that the automated traffic safety cameras are operating only when the flashing lights are in operation. The electronic images taken together showing the vehicle and its license plate portray a fair and accurate representation of the location listed above and indicate the vehicle was speeding in the school zone. The registered owner is named above.</p>
